Hello Term 1, 2023!

On behalf of all of us at **Julia Gabriel Centre and Chiltern House Preschool Kuala Lumpur**, we would like extend our heartfelt gratitude for all the incredible support and cooperation we have received throughout the whole of last year. As we welcome the children back to school and navigate into the start of 2023, we hope that you have had a good rest over the holidays, that you are reenergized and driven with fervor to begin this new journey with us this year.

Updated Health and Safety Protocol

As part of our transition into normalcy, face shield or mask-wearing in children is now optional, while other health and safety protocol such as the regular handwashing routine, the continued visual health checks, and daily disinfecting of the centre remain in place. It really was wonderful to see excitement radiating through their eyes, as students arrived ready for the new school year. The transition back to school has indeed been a smooth one, thanks to all parents for supporting us with the separation process.

Facilities Update

Over the December holidays, the school had undergone the first phase of our year-long refurbishment works to refresh the exterior and interior of the school's building. For families who have had the opportunity to physically step foot into our premises, you would be able to notice our new set of awnings, and a new soft-rubber base that has been installed at our outdoor playground area to wrap up the playground's facelift and restoration works which had commenced since last year. Inside, we have also updated the flooring with newly installed wooden flooring on both floors, and expanded the children's toileting area.

The *next phase* of our facelift would involve the installation of a newly designed BookRoom area on the ground floor. Further enhancements to the centre will be made over the subsequent months and we are truly excited to share more updates with you over time.

Hopping into Year of the Rabbit

Toss of Prosperity and Lok Lok Feast

The staff enjoyed a sumptuous Lok Lok feast with the truck parked right at the school's porch as part of our Chinese New Year celebration with members of staff. Centre Director Paulee Wang was also present to join in the festivity. Shouts of blessings and good luck filled the air as we tossed yee sang into the air but not before a round of fantastic games hosted by our dynamic in-house SOCCOM (social committee) team! A big thank you to the organising committee because we have all certainly missed a good gathering!

Kindergarten Two Graduation

What a marvelous run for our Chiltern House graduates, **class of 2022**! Our **heartiest congratulations** and well done to all of the students for a most stupendous year of language, imagination, and discovery with us.

With rehearsals after rehearsals, it was an eventful few weeks right up to the celebration evening. Thanks to the sheer determination of these children in putting up their best performances, persistent guidance from the team of K2 teachers, and heartwarming encouragement from the parents, the evening was a huge success!

We are truly humbled by the amazing support that we have received from every family, and it is with a heart filled with gratitude that we wish our Kindergarten Two students an exciting journey ahead as they embark on the next chapter of their lives in a big school. We are so proud of how much they have all grown with us. Spread your wings and soar!
